**Subject:** Five Star Equity- Tabling/Continuation of New Application set for 9/16/19

Tom,

Yesterday you advised me that it was you and your client's preference to table/continue the upcoming BZA hearing on Five Star Equity's new application set for Monday (9/16) with the hope of further exploring an acceptable resolution with the surrounding Sycamore Township residents. If you could please make such request now via email, then Harry could adjust the upcoming agenda and provide notice to anyone may be interested in speaking on the matter.

Thanks,  
Scott
